

# CD-ROM Compendium of the CPMT Society *Transactions*

*All Past Transactions on CD-ROM –  
Simplify your literature research!*

- JC2100:** 2000-2002 Compendium (1 CD – over 600 papers)  
**JC2150B:** 1954-2002 Compendium (10 CDs – over 4000 papers)
- Includes all predecessor journals: CPMT, CHMT, PHP, PMP, Mfg, PEP, CP (see back of flyer).
  - Each paper is in PDF format and is easily viewable/printable on Mac, PC, or UNIX systems. **Full-text searchable** across all papers.
  - Access the archived papers:
    - Using the **Tables of Contents**, to look through the papers in any particular year or issue;
    - Using the **Author Index**, where you can see/access all the papers from a particular author;
    - Using the **Subject Index**, to select those papers addressing a topical area;
    - Doing a **full-text search** across the contents of all papers and all years.
  - For owners of the original Compendium (1954-1999): the new CD works seamlessly with your current 9-CD set.

“It changed the way I do my work!”  
*An Information Theory Society member*
