

Become a Web Page Sponsor – support the CPMT Society!

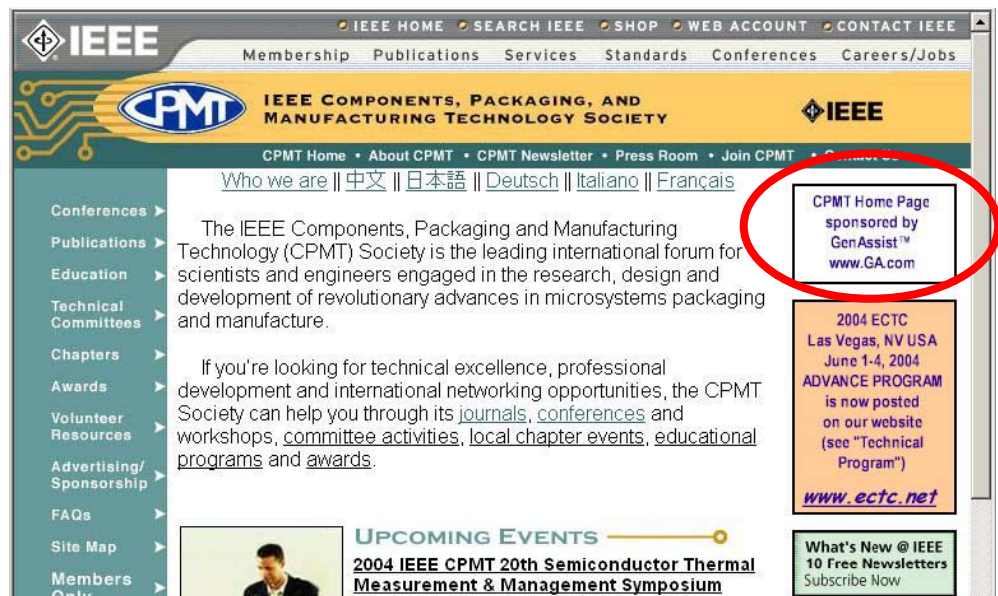

IEEE COMPONENTS, PACKAGING AND
MANUFACTURING TECHNOLOGY SOCIETY

*We will acknowledge your support
to our key technical audience*

组件 封装 生产技术
部品、パッケージング、および製造技術

The Components, Packaging & Manufacturing Technology (CPMT) Society is the premiere world-wide professional organization for technologists from universities, companies, and laboratories involved with electronic materials, components, packaging, assembly, and manufacturing. The Society's fields include electronic, photonic and MEMS packaging and reliability, thermal and electrical-performance modeling and simulation, and life-cycle, quality and Green aspects of manufacturing and product use. We publish a substantial majority of the novel developments in our fields in our archival, peer-reviewed journals, which are acquired by university and company libraries around the world.

The Society's website is an effective communications channel to over 4000 CPMT members and 150,000 additional design, packaging, materials, and process development engineers around the world. Our GOOGLE rating is top-notch for queries in our fields of interest. We use our assets – our quarterly Society Newsletter, our three quarterly journals, and our twice-quarterly email DLists – to notify professionals about content on the website for them to access.

Society website: www.cpmt.org

Our Society is a 401(c)3 organization, and we gratefully acknowledge donations from corporations and laboratories willing to sponsor one or more of our Web pages. As shown in the figure, we place a sponsorship notice on the selected page, with a hyperlink to your own website.

We look forward to making our IEEE technical professionals and the academic community aware of your support of our IEEE Society and its scientific and educational mission!

Please contact one of our Society representatives:

Tim Adams, Strategic Director, Website Assets

Notes:

1. Sponsorships are not a payment for service, but rather are a donation to the IEEE for which we give acknowledgment. Positioning is subject to availability at the time of your signed order. We are pleased to advise you of the date on which a current sponsorship expires.
2. 25% discount on second (lower-priced) and following page sponsorships.
3. These sponsorships receive a fixed-position graphic acknowledgment (as shown in this flyer) of a size 125 x 80 pixels (or equivalent), placed at the top of the right-hand column. At a future time, the Society may offer rotating placement – if so, it will be phased in following expiration of your exclusive sponsorship.
4. Sponsorship and recognition does not imply sponsorship of any event or service by the CPMT Society or of the IEEE, or allow use of the CPMT or IEEE logos or names. Such sponsorship arrangements must be coordinated through the Executive Director.

More information: **Marsha Tickman, CPMT Exec. Director**, m.tickman@ieee.org, +1-732-562-5529.
